# FILIPPI F1

To optimize your crew's speed it is essential that they row in a boat that is designed for their weight. With a range of **more than 55 different moulds**, almost every crew can find the boat that better fits their needs.

## 1X SINGLE SCULL F1

The F1 originally inspired by a FISA sketch that we managed to rearrange to meet our philosophy, was one of the first sculls we crafted and still one of our best seller. Designed for heavyweight crews, both men and women boat can perform a great speed when supported by good rowing skills.

The shell is 8.10 m long and well fits athletes into the range of 85- 95 kg.
