FILIPPI F22

To optimize your crew's speed it is essential that they row in a boat that is designed for their weight. With a range of more than 55 different moulds, almost every crew can find the boat that better fits their needs.

1X SINGLE SCULL F22

The F22 is one of the top selling boats for athletes under 85 Kg and the best winning choice among Under23 Juniores categories. With its banana shaped stern and its straight bow, this product features a round cross-section, and represents a good compromise between the wet surface in the water and a good stable floating attitude in the water.

The shell is 8.0 m long and well fits lightweight athletes into the range of 75 - 85 kg.
