

Filippi

FILIPPI F28

To optimize your crew's speed it is essential that they row in a boat that is designed for their weight. With a range of more than 55 different moulds, almost every crew can find the boat that better fits their needs.

4X/4- F28

Main features: straight bottom line, to reduce vertical movements at the catch and finish of the stroke; U shape cross-section, stable in the water without sacrificing speed. The F28 was designed for men and thought to optimize athlete comfort and efficiency.

The shell is 12.66 m long and well fits athletes into the range of 75 - 85 kg.
