

Filippi

FILIPPI F31

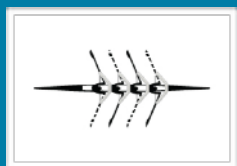

To optimize your crew's speed it is essential that they row in a boat that is designed for their weight. With a range of more than 55 different moulds, almost every crew can find the boat that better fits their needs.

4X/4- F31

F31 is really flat and features a very U cross section. Easy to lift, suitable even for aluminum wing, **F31** is great to maintain a good stability at roll because of its large hull. Designed by Filippi Lido, **F31** got great satisfaction in the Juniores and Under 23 categories Men. This boat represents a good choice for W4x women senior and LM4- medium weight men crews. LW4x (Lightweight Women's Quadruple Sculls) but it can also be used by W4- (Women's Four) and LM4- (Lightweight Men's Four) of max 85 kg.
