

Filippi

FILIPPI F42

To optimize your crew's speed it is essential that they row in a boat that is designed for their weight. With a range of more than 55 different moulds, almost every crew can find the boat that better fits their needs.

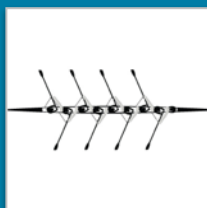

8+ EIGHT

F42 (60-85 Kg; 16.80 m long)

The F42 hull is a little longer than F9 but shows a similar moderate “banana” shaped keel line. **Round midship/cross section.** Improved ergonomic allows a more comfortable position for the coxswain. Fast and manageable boat providing a responsive and lighter feel. A good choice for athletes up to 85 Kg with a good row technique and medium-high pace.
