

Filippi

FILIPPI F49

To optimize your crew's speed it is essential that they row in a boat that is designed for their weight. With a range of more than 55 different moulds, almost every crew can find the boat that better fits their needs.

8+ EIGHT F49

The F49 shell is a perfect high weight 8+ choice especially for male rowers within the 85-100 kg weight range. Stable, powerful, fast and stiff the F49's hull is made to penetrate better and faster the wave thanks to its squared and sharp bow ease to maintain direction.

Ergonomic improvements provide maximum crew comfort, featuring a U cross section. Fast from the first setting, F49 power is essential to take advantage of this high potential racing shell. The ideal choice for very performing athletes with medium-high row skills.
